Commissioner for Patents

The request date-stamped June 25, 2003 (paper no. 24) requesting that the Advisory Action mailed on June 13, 2003 be withdrawn since the 132 Declaration dated June 9, 2003 was not responsive to the final Office Action mailed on May 30, 2003 is noted, but is denied since Advisory Actions are normally issued in response to papers mailed after the final Office Action, and either withdrawing or maintaining the Advisory Action would have no effect on the shortened statutory time period for response set forth in the final Office Action. Any inquiry concerning this communication should be submitted to Timothy Vanoy at phone number 703.308.2540.
